Search for library materials with the Basic, Advanced, Power, or Children's Catalog options and place holds on desired titles.

HOW TO PLACE HOLDS

Click on "Request Next Available Copy" if any copy of the title will do. (example: the latest bestseller by your favorite author)

Click on "Request this copy" if you want a specific volume or edition of the title, (example: the 2003 edition of a Fodor's travel guide, or volume 10 of the World Book Encyclopedia)

The Amazon and Barnes and Noble links at the bottom of each title page have book reviews, summaries, cover art, and much more about the title you selected.

Access your library record to renew books (items out), list holds and check outstanding fines in My Account

Find books on the New York Times Best Sellers List, Oprah Book Club Selections, and the Woodbridge Township Summer Reading Lists, Kindergarten through 12th grade, at Best Sellers and Reading Lists

If we do not own the book you want, we will try to get it from another library in New Jersey or across the country through Interlibrary Loan
